

Provincial Grand Lodge of Hampshire & Isle of Wight

Tercentenary Presentations

As we gain momentum towards the anniversary date of our Tercentenary, our Provincial Grand Orator and his team of Area Orators are ready and willing to deliver a range of presentations to lodges, in particular the Tercentenary Presentation.

This Presentation, as shown in our Provincial Tercentenary brochure, is a ten-minute talk covering the formation and history of the United Grand lodge of England from its beginnings in 1717 right up until our present time.

Perfectly suited to non-Masonic occasions as well as lodge evenings, this talk brings to us a fascinating insight into our beginnings and has a range of both interesting and inspiring aspects throughout.

If you are planning to celebrate the Tercentenary in your lodge in some way, why not call upon your Area Orator to come along and give this most interesting talk to your brethren and guests.

We are also able to provide other short talks, speak to your Area Orator as to availability and subject matter.

Name	Area Orator	Email	Telephone
