

PROVINCIAL GRAND LODGE OF HAMPSHIRE AND ISLE OF WIGHT

March 2017

Elizabethan Lodge No.7262 celebrates tercentenary in period costume!

At the March meeting of Elizabethan Lodge, the brethren worked the 'Making of a Mason 1717' in full period costume. The meeting, which was attended by the Provincial Grand Master, RWBro Mike Wilks, was very well attended by brethren from all over the Province.

After the meeting the Provincial Grand Master commented:

"I congratulate all involved in this initiative, which was so professionally researched and executed by the senior members of the Lodge. The introduction of humour into the proceedings was well received and added to the enjoyment of the evening."

He further added:

"I have no doubt that this initiative by Elizabethan Lodge will be an inspiration to the brethren and Lodges in the SW Area of the Province and beyond, focussing on the longevity of our wonderful organisation."

There is hope that the "show" may go on the road in the near future, so look out at a lodge near you!

The charitable proceeds from future 'shows' will be donated to the Lifelites Appeal for Naomi House and JacksPlace.

The brethren of Elizabethan Lodge in period dress with the PGM in 'normal' dress!
