FREEMASONRY IN THE COMMUNITY

Ambassador Training Day

**Saturday 20th May 2017
at 10.00 a.m.**

Kings Court Masonic Centre

Freemasonry in the Community continues to successfully develop its presence within the Province. A new and exciting programme of localised shows and Freemasonry Events has been arranged for 2017.

We now need additional brethren from the Province to attend these public events as *Ambassadors for Freemasonry* operating our main display trailer, Lite units and Masonic Centres Provincial events.

The ideal volunteer must be:-

- Keen to meet with the public and discuss the benefits of becoming a Freemason with them
- Be warm, friendly and enthusiastic about Freemasonry
- Enjoys talking to and listening to people
- Some experience of selling concepts would be beneficial but not essential
- When possible be willing to volunteer their time to support F.I.T.C. public events
- Would prefer to assist with the logistics and setting up of the event
- Able to attend this coaching event

This training course encompasses skills targeted with the identification and recruitment of suitable potential members. Brethren wishing to become Ambassadors, and existing Ambassadors, are most welcome to attend to update themselves with the new displays and skills being developed. Area management teams and light blues will be most welcome. Especially welcome would be the wives, girlfriends and partners of Freemasons who are also keen to be involved.

The day will comprise of classroom as well as outdoor training to enable brethren to understand the concept of *Freemasonry in the Community*, dealing with the public, recruiting and display setup.

Those interested should forward their name, Masonic rank, Area and current FITC experience (if applicable) to our personnel controller Steve Humby at steve@stevehumby.com
