The Provincial Grand Superintendent of Works is appointed by the Provincial Grand Master with a remit to assist, guide, and advise Masonic Centres in adopting best practice in their management function. Supported by the Area Superintendents of Works, he will ensure that the centres are put to the most beneficial use for the satisfaction of the members and involvement of the wider community.

The success and future of our Lodges and Masonic Centres is dependent upon best practice being followed and ensuring that effective support is given from Province to the Centres and sharing as much data and information as is possible.

Area Superintendents will be on hand locally to provide a support network in the daily running and management of centres, building maintenance, future projects, and statutory and regulatory issues.

In the first instance all enquiries must be directed via the Provincial Grand Secretary;
W Bro Frank Milner at the Provincial Office Email: frank.milner@hantsmasons.org

Brethren who have qualifications or experience and wish to assist the Office of the Provincial Grand Superintendent of Works should communicate with the Provincial Grand Secretary.
