Tourettes Action charity receives £5,000 from the MCF

On Monday 6th March the Provincial Grand Master and his wife Kay visited the Tourettes Action charity in Farnborough to present a £5,000 grant from the Masonic Charitable Foundation.

Tourettes Action is a charity working to make life better for people with Tourette Syndrome and the MCF grant will enable them to continue this valuable work.

The PGM, Mike Wilks said:

"We are very pleased to be able to help the Tourettes Action charity. Tourettes Syndrome is a terrible affliction and the work carried out by this charity will continue to help sufferers and their families through difficult times in the years ahead."

Tourettes Action CEO, Suzanne Dobson, also expressed her delight when informed about the grant, she said:

"I was really pleased to entertain the Provincial Grand Master and wife along with other officers at our offices in Farnborough. We have been supported over the years by Freemasons and the opportunity to talk about our work with families affected by Tourettes Syndrome was extremely useful. Tourettes is such a misunderstood condition and all opportunities to discuss the realities of life for people with this condition are very important. Of course the icing on the cake was to receive a certificate marking the grant of £5,000 which was made to Tourettes Action."
