

Spinnaker Lodge's First 'On the Water' Meeting

Over 70 brethren, wives and partners travelled by yacht, motor boat and ferry to Cowes Yacht Haven on Saturday 6th May to attend the first Spinnaker Lodge 9932 'on the water' meeting.

The Lodge was created to accommodate all those interested in yachting and boating and the May meeting was a huge success, with 14 boats moored in the marina and most of those attending arrived by water.

The highlight of the Lodge meeting was a double ceremony when the two recently initiated members, Bros Micki Barron and Josh Denver were passed to the Second Degree.

The meeting was followed by a white table when wives and partners joined the members at a most enjoyable Festive Board. After the meal, the Junior Warden, Bro Adam Harvey,

gave a short talk about the origins of the spinnaker sail and the Charity Steward, W Bro Colin Monkman presented a cheque for £250 to a representative of the Portsmouth Sail Training Trust.

A drinks reception followed, which was held at the Royal London Yacht Club and was an excellent way of new members getting to know each other.

Spinnaker Lodge is one of the newly consecrated 'special interest' lodges, joining Football Lodge, Rugby Bastion Lodge, Chequered Flag Lodge etc. in attracting members with a shared interest in a particular sport or interest. The Lodge has so far attracted new members from afar afield as Oxfordshire, Hertfordshire and London.

This Friday will see the Provincial Grand Master RW Bro Mike Wilks consecrate the 'Motorcycle Lodge' which will bring the number of special interest lodges in this Province to seven.
