

PROVINCIAL GRAND LODGE OF HAMPSHIRE AND ISLE OF WIGHT

Annual General Meeting 4th July 2018 – Car Parking **at the Novotel Hotel and Southampton City Centre**

Brethren, please take diligent notice of the following and disseminate to fellow Brethren who are attending!

The car park at the Novotel is for residents of the hotel and its two neighbouring hotels. The hotel is continuing to carry out remedial works to their property, resulting in a reduced capacity. Therefore, owing to severe congestion and its impact upon hotel residents, car parking on site on 4th July will be restricted once again to Official Guests of the Province who have been issued with parking permits.

Stewards will be on duty at the barrier to ensure authorised entry only and to direct efficient parking.

There are adequate alternative parking facilities within easy reach of both the Guildhall and the Novotel. It is recommended that Brethren travel together where possible.

Southampton Central railway station is only 800m from the Guildhall and directly across the road from the Novotel making rail travel a viable and convenient alternative, to travelling by car.
