

Learning & Development

Fostering curiosity - developing understanding (No 12)

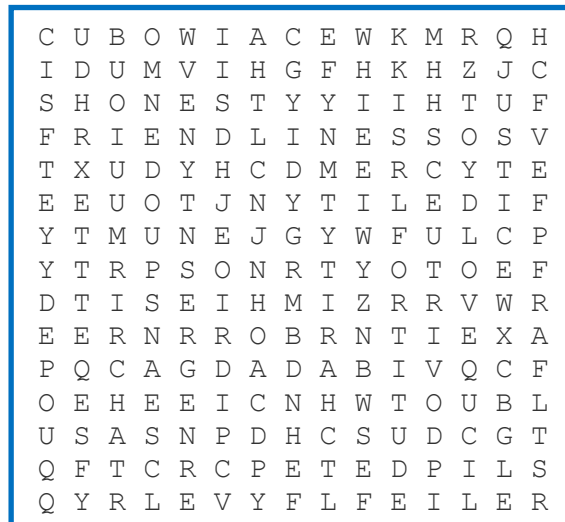

The solutions to July's Masonic Crossword are:

Across – 3. Relief 5. Ionic 6. Rhetoric 8. Secret 9. Kipling 10. Secretary
11. Temperance 13. Scruple

Down – 1. Lodge 2. Diffidence 4. Corinthian 7. Indigence 8. Sayer 12. Proposer

With the period of Masonic suspension now lifted, lodges will be planning for their return to meetings, albeit perhaps in a somewhat different format than before. With this thought, let us remind ourselves of our values and principles and ensure we bring these to the fore during what may prove to be a challenging time.

This month we have a 'word puzzle' for you, a break from our crossword and what could prove a bit of a brainteaser; there are 20 words appertaining to our values and principles somewhere in the box. Can you find them all? Once you have, take a look at [SOLOMON](#) for explanations on how they impact and shape our life both Masonic as well as private.

How quick can you find the words and complete the word puzzle above?

Solutions in our September Communication No13

**King Solomon can explain the values and principles of Freemasonry; follow his path as you
'Seek and Learn'.**
